THE PARTICULARS ARE (If additional paper is needed, attach extra sheet(s)):

I. On or about January 4, 2006, I opposed what I believed to be discrimination. Mr. David Watson, District Nurse Manager, had approved the rehire of a White individual who had been previously transferred due to attitude and behavior problems. I reminded Mr. Watson that previously, when dealing with a Black employee, he stated no one with a bad attitude and problem employees would be allowed to be transferred or rehired. I further explained that this was a different standard and we should uniformly apply policies to everyone. In an email dated January 5, 2006, Mr. Watson informed Ms. Wright that she could not hire the White individual. My opposition to perceived discrimination began a sequence of events which can only be categorized as harassment and a hostile work environment.

II. On or about January 9, 2006, Ms. Gotcher, Mr. Watson's supervisor, and Ms. Milton, HR, began an investigation of alleged complaints against me. As part of this investigation, only certain selected individuals were interviewed. I have never been provided any <sup>written or</sup> complaint against me so that I could properly respond. I was informed, by Ms. Gotcher and Ms. Milton that the investigation against me was conducted at Mr. Watson's request.

III. Mr. Watson continued his retaliatory actions towards me and the harassment created a hostile work environment. Consequently, I received a poor evaluation. On April 10, 2006, I filed an internal grievance

THE PARTICULARS ARE (Continued from previous page):

alleging discrimination, harassment and a hostile work environment. On April 11, 2006, I received a letter advising that I would be demoted from Cluster Nurse Manager. The letter stated I was being demoted due to continued failure to meet minimum performance expectations. I believe this demotion was in further retaliation. I am aware of similar situated White employees, with staff complaints, who have not been demoted. Further, prior to my opposition of perceived discrimination my performance was not an issue. On May 2, 2006, I received a letter advising that I was going to be demoted to an Assistant Nurse Manager and not to a Nurse Clinician III as stated in Mr. Watson's April 11, 2006 letter.

IV. I believe I have been discriminated against because of my race, Black, and subjected to retaliation, in violation of Title VII of the Civil Rights Act of 1964, as amended.
